BOARDING FACILITIES

There are separate Boarding Houses for boys and girls with modern amenities to ensure a comfortable lifestyle for the resident students. Hostel warden assisted by matrons supervises the well organized, hygienic and disciplined life style of the students. Warden guides and counsels the student on regular basis and maintains a personal contact with them thereby encouraging them to develop true student-like qualities.

The foundation of Doon Valley Public School was laid with the aim of developing in the students qualities of trust, tolerance, integrity, scientific temper, love and compassion which will ultimately help them to become ideal citizens of the country. We at DVPS believe that education imparted in the school will enable the child to keep up with the future developments in this global world. Educational environment in the school is transparent in nature. The school is constantly evolving so that the student is able to cope up with the challenges and grab the opportunities round them. The school always tries to imbibe value based education and aesthetical skills in the students. The school has been a pioneer in incorporating latest technologies, tools & trends digital classrooms, in the field of education.

ABOUT SCHOOL

ACCOMODATION

Each boarder is provided with a single decked, individual locker and individual study table. Two students are assigned to one room. The school provides mattresses, pillows, bed-sheets and pillow covers (blankets excluded) to its boarders. The bath and toilet areas are scrupulously clean, with running hot and cold water supply.

The school cafeteria provides wholesome, nutritious, vegetarian non-vegetarian meals to the students in a gracious and enjoyable environment. Students eat in the family style, six to a table. A dietician prepares the meals programme and also advises special meals for weak children.

FOOD

HEALTH

The boarding children are regularly examined and, if required, treated under the supervision of a highly qualified and competent medical officer. A well equipped infirmary is manned by a trained and experienced nurse during the day time. The school has a contractual arrangement with a reputed nursing home in close vicinity. Parents must keep the school informed with respect to all medical developments concerning their children, particularly with regard to allergies and any treatment carried out during the holidays, so that the student's medical record stays up-to-date.

RECREATION

The School ensures that the students make the most of life on campus. The lounge has a Television and an Audio System. Appropriate movies are shown periodically. A reading room and Table Tennis are also accessible besides the lounge, at the end of the day's schedule and on sundays and holidays. besides this students organize informal get together occasions like birthdays and festivals, wherein they make all arrangements thus generating a feeling of mutual acceptance and oneness like a family.

LAUNDRY

Free laundry for all students is available at hostel.

All boarders are given supervised prep classes daily to answer their queries in various subjects. Through constant monitoring and evaluation, all students' needs are identified. Students who needs additional help are assisted by a team of special teachers through special programmes and assignments. Their progress is constantly reviewed and differentiated study schemes are planned to meet the needs of individual students.
